

# Carpenter Shop

The Carpenter Shop is fully staffed and has 24 hours per day capacity using three shifts. This shop is used to support wood-working and insulation/lagging projects. The shop assists in providing protection for equipment that may be stored outside and exposed to the elements of weather.

Types of work that this shop can accomplish include: Manufacture Boxes, Crates and Skids (Pallets) for transportation and protection of material and equipment. Manufacture and repair cabinets, stands, shelves, countertops, etc. for interior work.

Major Shop Equipment includes:

- Rockwell Woodshaper
- Rockwell Band Saw
- Rockwell Radial Arm Saw
- Rockwell Table Saw
- Rockwell Drill Press
- Rockwell Belt-Drive Sander
- Wood Lathe
- Cincinnati Jointer
